

# Lansing CC Takes NJCAA Men's Marathon; Brevard CC Takes Women's Title

After a full week of rain, there was nothing but sunshine and temperatures in the 60's/70's on June 2 when Oakton hosted the National Junior College Athletic Association's Marathon Championships.

Cher Patterson, of Brevard Community College (Cocoa, FL), became only the second double winner in the women's division, and the first since Kelly Bowdy (Corning Community College, NY) in 1979-80, when she crossed the finish line of the 26-mile, 385-yard course in 3 hours 5 minutes 36 seconds. Her winning time was nearly nine minutes better than a year ago when she won with a mark of 3:14:18.

Patterson's first place sparked Brevard to its second consecutive women's team championship.

Lansing won its first men's division team championship (12 points), beating out runner-up Johnson County (18) in a nine-team field. Townsend, Tuggle and ninth-place finisher Carl Willits contributed to Lansing's team title.
