HIGHEST INDIVIDUAL SCORER OF MEET ALSO FROM VICTORIA

Ben Boehnke, of Victoria, was the highest individual scorer of the national meet this year. He garnered first place spots in both the ██████ yard dashes. He also ran on a winning relay team. Boehnke also won the 100 last year for Victoria

Inocensio Cantu, also of Victoria, repeated his performance of last season by winning the two mile race but didn't repeat his double win of last season with the mile championship. In a thrilling mile race, he was edged right at the finish line by Don Santi of Wright College.

The mile race between Cantu and Santi was perhaps the most thrilling event in the meet and had the entire stands on their feet for the finish as the two champions battled it out right down to the wire. It was not until the last ten feet that Santi outstepped Cantu to barely break the tape about a stride and a half ahead of his chief rival.
