Clean, sanitize and deodorize  
with one-step Re-Juv-Nal®  
from Hillyard.

Save time and money. Reduce the three separate steps required to clean, disinfect, and deodorize into one easy operation. Hillyard Re-Juv-Nal® is one product that does the work of three.

It's a heavy-duty synthetic detergent that cleans any surface in your building. No rinsing required. No soap scum left. And since it contains effective quaternary germicidal agents that are staphylocidal and pseudomonacidal when used according to the label, you can help control the hazard of cross-infection and prevent bad odors as you clean.

Re-Juv-Nal may be used on any type of flooring or any type of surface that water will not harm. It has a powerful, yet gentle detergent action.

Re-Juv-Nal from Hillyard. Three products in one reduces inventory and saves you time. For complete information call or write:
